### **\$75,000 Donation To Library Building Fund!**

Sandra Thompson, (second from left) President of Friends of the Library, was pleasantly surprised Tuesday afternoon when generous donations of \$75,000 were made to the library building fund. The donations were from New Dominion (\$25,000), David Chernicky, (second from right) President and CEO of New Dominion (\$25,000), and Stewart M. Reid of Millbrae Energy Corp in New York (\$25,000), who is a New Dominion investor (left). Also pictured are Jimmie Thompson, Prague City Manager, and Rep. Danny Morgan (right) of Prague. The presentation was made during an appreciation luncheon for 18 New Dominion investors from New York and Florida, and the Prague High School scholarship recipients. Sandra Thompson asks that all those who have been contacted during the library pledge drive to please return their donations as soon as possible. Construction on the library will begin next week.
